Intro - D-G-A-D

She said I've seen you in here before - I said I've been here a time or two

She said hello my name is Bobbi Jo - meet my twin sister Betty Lou

And we're both feeling kinda wild tonight - you're the only cowboy in this place

If your up for a rodeo, - I'll put a big Texas smile on your face
I said girls

I ain't as good as I once was - I got a few years on me now

But there was a time - back in my prime - when I could really lay it down

If you need some love tonight - then I might have just enough

I ain't as good once was - but I'm as good once, as I ever was

I still hang out with my best friend Dave - I've known him since we were kids at school

Last night he had a few shots - got in a tight spot - hustling a game of pool

With a couple of redneck boys - and one great big fat biker man

I heard David yell across the room - hey buddy how bout a helping hand
I said Dave!

I ain't as good as I once was - my how the years have flown

But there was a time - back in my prime - when I could really hold my own

But if you want a fight tonight - guess those boys don't look all that tough

I ain't as good once was - but I'm as good once - as I ever was
